**WCF Construction of
Civil Works**

**Request for Tender No:
T2021/02**

Tenders are invited from Civil Engineering Contractors experienced in concrete construction and repair works.

Works are currently being undertaken within the waste composting facility (WCF) tipping building for the decommissioning and removal of redundant equipment.

Civil works components in this scope include:

- Infill Pan Feeder pits;
- Concrete Push Walls;
 - repair existing walls;
 - removal of redundant walls;
 - install new push walls;
- Make good buildings, ground, and slabs.

The SMRC's waste composting facility is located at the Regional Resource Recovery Centre (RRRC) in Canning Vale.

Tender documents will be available from 10:00am Monday, 28th June 2021.

Mandatory site visits are required to be attended as detailed in the tender documents.

Tender documents must be downloaded from:
<https://www.tenderlink.com/smrc>.

Tenders must be electronically uploaded to Tenderlink not later than 2:00pm (AWST) Tuesday, 20th July 2021. Late tenders will not be considered.

Further information should be directed by email to smrc@smrc.com.au
