**REQUEST FOR TENDERS**

**Request for Tender No:  
T2023/07  
RECEIVAL & DISPOSAL OF  
RECOVERED GLASS**

Tenders are invited from suitably experienced contractors to receive and dispose of glass recovered from co-mingled recyclables at the Materials Recovery Facility (MRF) located in Canning Vale.

Tenderers must provide a plan for the beneficial re-use of the glass that demonstrates diversion of the glass from landfill.

**Request for Tender No:  
T2023/08  
RECEIVAL & DISPOSAL OF  
RESIDUAL WASTE**

Tenders are invited from suitably experienced transfer station, landfill contractors and resource recovery contractors to provide residual waste disposal services to support the Resource Recovery Group's (RRG) Canning Vale Centre (CVC) operations and other functions of the RRG.

Waste is required to be received from:

1. Side and rear loading waste collection vehicles operating in the Cities of Melville and Fremantle and the Town of East Fremantle. The waste streams include:

- Residual waste (red lid bin) from 3 bin collections;
- General waste from 2 bin collections; and
- Other general waste from Council, commercial and litter bin collections.

2. Hook-lift configured bulk bins and compactor bins. The waste streams include:

- FOGO oversize and screening residuals;
- Materials Recovery Facility wastes;
- Municipal solid waste; and
- Other wastes generated on site.

3. Other configurations, semi-tipper, walking floor and B-Doubles.

Consideration will also be given to proposals offering to beneficially re-use or recycle the residual wastes.

**Request for Tender No:  
T2023/09  
REMOVAL & TRANSPORT  
OF RESIDUAL WASTE**

Tenders are invited from suitably experienced transport contractors to support Resource Recovery Group's (RRG) Canning Vale Centre (CVC) operations and other functions of the RRG.

Various waste streams in hook-lift configured bulk bins, compactor bins, semi-trailer, walking floor and B-Double require removal and transport to recycling and disposal locations including:

- FOGO recovered organics and screening residuals;
- Materials Recovery Facility wastes;
- Municipal solid waste; and
- Other wastes generated on site.

Tender documents will be available for download from <https://portal.tenderlink.com/resourcerecoverygroup>

Tenders must be electronically uploaded to Tenderlink not later than 2:00pm (AWST) Tuesday 24th October 2023. Late tenders will not be considered.

Waste is required to be received from:

1. Side and rear loading waste collection vehicles operating in the Cities of Melville and Fremantle and the Town of East Fremantle. The waste streams include:

- Residual waste (red lid bin) from 3 bin collections;
- General waste from 2 bin collections; and
- Other general waste from Council, commercial and litter bin collections.

2. Hook-lift configured bulk bins and compactor bins. The waste streams include:

- FOGO oversize and screening residuals;
- Materials Recovery Facility wastes;
- Municipal solid waste; and
- Other wastes generated on site.

3. Other configurations, semi-tipper, walking floor and B-Doubles.

Consideration will also be given to proposals offering to beneficially re-use or recycle the residual wastes.

**Request for Tender No:  
T2023/09  
REMOVAL & TRANSPORT  
OF RESIDUAL WASTE**

Tenders are invited from suitably experienced transport contractors to support Resource Recovery Group's (RRG) Canning Vale Centre (CVC) operations and other functions of the RRG.

Various waste streams in hook-lift configured bulk bins, compactor bins, semi-trailer, walking floor and B-Double require removal and transport to recycling and disposal locations including:

- FOGO recovered organics and screening residuals;
- Materials Recovery Facility wastes;
- Municipal solid waste; and
- Other wastes generated on site.

Tender documents will be available for download from <https://portal.tenderlink.com/resourcerecoverygroup>

Tenders must be electronically uploaded to Tenderlink not later than 2:00pm (AWST) Tuesday 24th October 2023. Late tenders will not be considered.

**REQUEST FOR TENDERS**

**Request for Tender No:  
T2023/07  
RECEIVAL & DISPOSAL OF  
RECOVERED GLASS**

Tenders are invited from suitably experienced contractors to receive and dispose of glass recovered from co-mingled recyclables at the Materials Recovery Facility (MRF) located in Canning Vale.

Tenderers must provide a plan for the beneficial re-use of the glass that demonstrates diversion of the glass from landfill.

**Request for Tender No:  
T2023/08  
RECEIVAL & DISPOSAL OF  
RESIDUAL WASTE**

Tenders are invited from suitably experienced transfer station, landfill contractors and resource recovery contractors to provide residual waste disposal services to support the Resource Recovery Group's (RRG) Canning Vale Centre (CVC) operations and other functions of the RRG.

Waste is required to be received from:

1. Side and rear loading waste collection vehicles operating in the Cities of Melville and Fremantle and the Town of East Fremantle. The waste streams include:

- Residual waste (red lid bin) from 3 bin collections;
- General waste from 2 bin collections; and
- Other general waste from Council, commercial and litter bin collections.

2. Hook-lift configured bulk bins and compactor bins. The waste streams include:

- FOGO oversize and screening residuals;
- Materials Recovery Facility wastes;
- Municipal solid waste; and
- Other wastes generated on site.

3. Other configurations, semi-tipper, walking floor and B-Doubles.

Consideration will also be given to proposals offering to beneficially re-use or recycle the residual wastes.
