WHICH BIN DO I PUT IT IN?

Verge Valet™ Collections

Verge Valet™, as easy as 1, 2, 3...

1. Book your Verge Valet collection online at vergevalet.com.au
2. Receive confirmation of your request from Verge Valet™.
3. Only place accepted items out 1 to 3 days before your collection date.

Leave the rest to us – easy as that.

Record your booked collection dates here:

Frequently Asked Questions

How do I book Verge Valet™?

Book online through the Verge Valet™ website vergevalet.com.au
If you're having trouble, call the Verge Valet™ and Recycling Hotline team on 9384 6711 or the Verge Valet™ Collection Contractor, D&M on 6336 7223.

How far in advance do I need to book?

You can book up to 8 weeks or a minimum of 4 days before your preferred collection date. Mosman Park collections occur on Mondays (excluding public holidays). Verge Valet™ tip – book early to secure your preferred collection date. Remember to book your collection first before placing any waste out.

When can I place my waste out?

Waste can be placed out 1 to 3 days before your collection. You will receive a confirmation text message 3 days before your collection. Penalties may apply to waste placed out more than 3 days prior to collection.

How many collections do I get a year?

**Up to 2
Bulk Waste
collections**

**1 Green
Waste
collection**

Limit of 3m³ per collection

You can change your bulk waste collections into green waste if you prefer

What won't be accepted?

We are unable to collect asbestos, batteries, building materials, household hazardous waste, glass panels, pesticides, paint and vehicle parts. These items can be dropped these items off at the West Metro Recycling Centre 7 days a week – some are free and some for a fee.

How can I change, cancel or postpone my booking?

Click the 'Changes and cancellations' tab at vergevalet.com.au, or phone WMRC on 9384 6711 (Mon-Fri). Please give at least one business day's notice to avoid losing your collection allocation.

What happens to the waste collected by Verge Valet™?

Neat piles of separated waste help us recycle as much as we can. We reprocess all the green waste and recover as much recyclable material from bulk waste as possible. Mattresses, e-waste and white goods are recycled by specialists and fridges are safely de-gassed.

Verge Valet™ is intended for items that can no longer be used. Donate items that are too good to be thrown away.

I live in an apartment complex, how do I get Verge Valet™?

Apartment complexes with more than 25 units must have their Verge Valet™ collections organised through the strata manager, building manager or caretaker via a separate booking process found on the website. Collections can only be booked for the first Monday of the month. If you live in an apartment with 25 units or less, book your collection yourself at vergevalet.com.au.

What can I put out for a Verge Valet™ collection?

See the image below. Remember to place items in separate piles to maximise what can be recycled. There is a limit of 3m³ per collection. Book in for a double collection if you have more waste.

How To Be A GREAT Sort

Sort first and treat your general waste bin as a last resort.

G = GIFT

Gift items to charity, swap or sell.

R = RECYCLE

Recycle these 5 in your yellow lidded bin – paper, cans, cardboard, plastic and glass – rinsed, loose, lids off.

E = EARTHCYCLE

Compost food scraps and garden waste. Worm Farming and Composting Factsheets available at wmrc.wa.gov.au

A = AVOID

Avoid single use items, excess packaging and waste. Find out how at a WMRC low-waste workshop: wmrc.wa.gov.au

T = TAKE

Take hazardous and E-waste items to drop-off points. The West Metro Recycling Centre is a registered drop off point for the Household Hazardous Waste Program.

WasteSorted

A Waste Authority Program

Visit wastesorted.wa.gov.au for more information about being a GREAT sort.

Plastics

Many types of plastic packaging and plastic products cannot be recycled in your yellow-lidded recycling bin. Here is what's happening in WA (and what you can do) to address the growing problem of plastics.

Plan for Plastics

The WA State Government launched the Plan for Plastics in 2022 to introduce regulations around common single-use plastic items. Replacing single-use plastic items with disposable items made from bamboo, paper or similar materials is a great start, but the best option is to eliminate single-use altogether and choose reusables instead.

Stage 1 items that have already been phased out:

- Cutlery
- Drink stirrers
- Drinking straws
- Expanded polystyrene take away food containers
- Helium balloon releases
- Plates
- Thick plastic shopping bags
- Unlidded bowls
- Unlidded cups for cold beverages
- Unlidded take away food containers

Stage 2 items:

Banned on 1 September 2023

- Loose/unmoulded polystyrene packaging
- Expanded polystyrene cups and meat/seafood trays
- Degradable plastics
- Cotton buds with plastic stems
- Microbeads

Banned on 1 March 2024

- Produce bags
- Coffee cups and lids
- Trays for takeaway food not covered in stage 1 ban

Banned on 1 September 2024

- Lids for cups, trays, bowls, plates, and takeaway food containers

Plastic Free July

Together, 100+ million people are creating a world without plastic waste

You can be part of the solution to reduce plastic pollution! Plastic Free July is a global movement that provides free resources, tips, and challenges to help individuals, organisations, businesses, and schools reduce their single-use plastic use. And it was started right here in Perth by Rebecca Prince-Ruiz of the Western Metropolitan Regional Council.

Get involved today at plasticfreejuly.org.

Containers for Change

Whether you're keen to earn a bit of extra cash, raise money for your local sports club or event, or donate to your favourite charity, you can earn or donate 10 cents for every eligible drink container collected.

All drink containers and lids returned through the scheme are recycled into new items. Lids must be separated and placed in separate collection bins on return. Find out more information at: containersforchange.com.au/wa/containers-reinvented

Acceptable beverage containers include most aluminium, glass, plastic, steel and liquid paperboard containers between 150ml and 3 litres. All lids must be removed from containers.

Local return depots:

Paraquad Industries Depot

4-6 Orton Rd, Shenton Park

Fremantle Containers for Change

83 Knutsford St, Fremantle

Tom Perrott Reserve (open Tuesdays 9.30am - 1.30pm)

McCabe St, Mosman Park

For more information and other locations to return to visit: containersforchange.com.au/wa

Remember to rinse and take the lids off!

✓ ELIGIBLE CONTAINERS

Most glass, plastic, aluminium, steel and paper-based cartons between 150mL and 3L

✗ INELIGIBLE CONTAINERS

Containers not commonly found in litter, including all plain milk, flavoured milks 1L and above, pure juice drinks, wine and spirit bottles, cordials.
