Do you know what happens to your waste?

Why not come and see!

The Regional Resource Recovery Centre in Canning Vale offers FREE TOURS of the facility so you can come and see first-hand what happens to your waste once it leaves the kerb.

Why not organise a tour for your school, church, community group or family!

For information on our free tours please phone our Tour Coordinator - Emma on 9256 9528 or email tours@smrc.com.au
