General Waste and Recycling

Utilising Waste In An Apartment/Office

Even if you live in an apartment or work in an office, you can use your organic waste by turning it into feed for your indoor or outdoor garden.

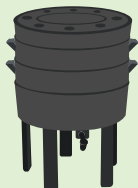

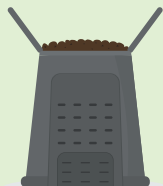

Bokashi Bins

Bokashi bins are a great option for indoor composting even if you live in an apartment or work in an office. The scraps you can put in your Bokashi bin include:

- All fruit and vegetable scraps
- Eggshells
- Meat and fish
- Bread, cakes, crackers etc.
- Cooked food (rice, pizza crusts etc.)
- Coffee grounds tea leaves and tea bags
- Paper products like tissues
- Dead flowers

Compost Bins, Worm Farms and Chickens

Compost bins, worm farms and chickens are great options for apartments with shared gardens.

Use all your shared food and garden waste to provide amazing soil and fresh eggs.

EnsoPet (pet waste composter)

EnsoPet is an innovative system designed to easily and hygienically compost pet waste. Keep your garden clean whilst enriching and rebuilding your garden soil.

Containers for Change

Whether you're keen to earn a bit of extra cash, raise money for your local sports club or even donate to your favourite charity, you can start earning 10 cents for every eligible drink container collected.

Return your eligible containers to the Fremantle Containers for Change, or any other Container for Change facility and help raise funds for the East Fremantle community.
